## Dinosaur Jr., The Leper

Embarrassed to be alive, Sit with my life open wide. Your stare is forcing my face open. A leper crumbling, never joking. Who should I believe?

Safest to wallow in my own esteem. Afraid, stick my neck out, Knowing the day has drawn.

I'm a leper. Scared beyond this feeling, I dare to escape. A leper. Doomed to this, my life is chosen to rape.

I'm a leper, leper, leper.
