

# Dio, Jesus, Mary And The Holy Ghost

Prime time  
Nursery rhyme  
Did you see the teacher?  
Sister  
Black and white  
What she's gonna to do?

They say eye for eye, tooth for tooth  
But don't hurt your brother  
Crossroad overload

Oh, I, I testify  
They just showed me Mary  
She was stoned, stoned danger zone  
There was nothing in her eyes

And then there there in the air  
Nailed to the cross was Jesus  
Crossroad overload

Now I lay me down to sleep  
Pray my soul to keep away  
From the holy spirit, holy ghost  
They're hiding in the dark

Oh nightmare electric chair  
You might not get to heaven  
Bad boys shout for joy  
Watch him to cry

Prime time  
Nursery rhyme  
Love just needs religion  
Crossroad overload
