

# Dio, Sacred Heart (Live)

The old ones speak of winter  
The young ones praise the sun  
And time just slips away

Running into nowhere  
Turning like a wheel  
And a year becomes a day

Whenever we dream  
That's when we fly  
So here is a dream  
For just you and I

We'll find the Sacred Heart  
Somewhere bleeding in the night  
Look for the light  
And find the Sacred Heart

Here we see the wizard  
Staring through the glass  
And he's pointing right at you

You can see tomorrow  
The answer and the lie  
And the things you've got to do

Oh, sometimes you never fall  
And ah - You're the lucky one  
But oh - Sometimes you want it all  
You've got to reach for the sun

And find the Sacred Heart  
Somewhere bleeding in the night  
Oh look to the light  
You fight to kill the dragon  
And bargain with the beast  
And sail into a sight

You run along the rainbow  
And never leave the ground  
And still you don't know why

Whenever you dream  
You're holding the key  
It opens the door  
To let you be free

And find the Sacred Heart  
Somewhere bleeding in the night  
Run for the light  
And you'll find the Sacred Heart

A shout comes from the wizard  
The sky begins to crack  
And he's looking right at you - Quick  
Run along the rainbow  
Before it turns to black - Attack
