

# Dio, Shame On The Night

Shame on the night  
For places I've been  
And what I've seen  
For giving me the strangest dreams  
But you never really know just what they mean  
So oh shame on the night

Shame on you  
You've stolen the day  
Snatched it away  
But I saw the sky  
An I never want to die  
Now you know the reason why  
Oh shame on the night

You don't care what you've done  
So I think I'd better run

Shame on the sun  
For the light you sold  
I've lost my hold  
On the magic flame  
But now I know your name  
Oh lord just go the way you came again  
Oh shame on the night

You don't care what you've done  
So I know I'd better run

[Repeat verse 1]

You don't care what you've done  
Here I go I've got to run
