

# Dionne Warwick, Any Old Time Of The Day

Don't think because you've been running around,  
I won't answer the phone when your world tumbles down,  
You can call me,  
Any old time of the day,  
And I'll be there.  
If you ever need someone to cry to,  
I've got a shoulder to spare,  
Remember, I still care.  
It doesn't matter that you broke my heart,  
My heart still loves you so,  
It doesn't matter that you left my arms.  
My arms still need you so,  
And even though you walked out of my life,  
You are my life,  
You are my love,  
For always!  
(music repeats from the top to the end of the second line -- pick up  
vocal repeat from "You can call me...." & go to the end)
