

# Dionne Warwick, (There's) Always Something Th

(by [[Burt Bacharach]] & [[Hal David]])

I walk along the city streets you used to walk along with me  
And every step I take recalls how much in love, we used to be

Oh, how can I forget you  
When there is always something there to remind me  
Always something there to remind me

I was born to love you and I will never be free  
You'll always be a part of me  
Woh-oh-oh-oh-oh

When shadows fall, I pass a small cafe where we would dance at night  
And I can't help recalling how it felt to kiss and hold you tight

Oh, how can I forget you  
When there is always something there to remind me  
Always something there to remind me

I was born to love you and I will never be free  
You'll always be a part of me  
Oh-oh-oh-oh-oh-oh, Oh-oh-oh-oh-oh-oh-oh-oh

If you should find you miss the sweet and tender love we used to share  
Just go back to the places where we used to go and I'll be there

Oh, how can I forget you  
When there is always something there to remind me  
When there's always something there to remind me

I was born to love you and I will never be free  
When there is, when there is  
When there is always something there to remind me  
Oh-oh-oh, always something there to remind me  
Oh, always something there to remind me  
Darlin', always something there to remind me (fade)
