

Dionysos, La Berceuse Hip Hop Du Docteur Mad

Don't you wanna sleep my broken darlin'
Don't you wanna sleep sleep sleep at last

You've fought to swallow all your tears my broken darlin'
Melancholic drinks are good for the dreams

If a love dream comes do I have to scream ?
Keep the dream but never scream
The hunger is dangerous for your tiny heart

The hunger is dangerous for my tiny heart

If the love dream's becoming a very sexy dream
Docteur Madeleine don't you think I have to scream
Stop the dream but never scream
The cuckoo's clock ring will wake you up
And I'll warm you with a chocolate cup

Don't you wanna sleep don't you wanna sleep
My motherfuckin' heart does clic-cloc-ding-dong !
My motherfuckin' heart does clic-cloc-ding-dong !

Love is dangerous for your tiny heart
Even in your dreams, so please dream softly
You mean without sex
I mean without passion
You mean without sex
I mean without sex
I mean...

Don't you wanna sleep don't you wanna sleep !
My motherfuckin' heart does clic-cloc-ding-dong !
Don't you wanna sleep don't you wanna sleep !
Malancholic drinks are good for the dreams
Don't you wanna sleep don't you wanna sleep !
Keep the dream but never scream
Don't you wanna sleep don't you wanna sleep !
Stop the dream but never scream

Don't you wanna sleep don't you wanna sleep
My motherfuckin' heart does clic-cloc-ding-dong !
My motherfuckin' heart does clic-cloc-ding-dong !
