

Diplo Presents: Thomas Wesley, Lonely (with Jonas Brothers)

wanna ride with you till the wheels fall off
until we're running out of road
wanna dance with you till the music stops
until we got no place to go

everybody needs a place to hide
this don't have to be a bumpy ride
I think we should be alone tonight
because we don't have to be lonely
everybody needs some company
let's talk about it over one more drink
I think you should be alone with me
because we don't have to be lonely
don't have to be lonely
lonely
don't have to be lonely
don't have to be lonely
don't have to be lonely

wanna ride with you till the world stands still
like there's no one else but us
wanna dance with you until we can't stand up
until we both give into love

everybody needs a place to hide
this don't have to be a bumpy ride
I think we should be alone tonight
because we don't have to be lonely
everybody needs some company
let's talk about it over one more drink
I think you should be alone with me
because we don't have to be lonely
don't have to be lonely
lonely
don't have to be lonely
don't have to be lonely
don't have to be lonely

wanna ride with you till the wheels fall off
until we're running out of road
