

Dir En Grey, ??????????

Mother and you and my new relation'
Without thinking I put my hand on your neck.
You say nothing and you do nothing.
I'm gonna sing the last lullaby for you while you smile at me.
I wonder why I fell in love with you.
Impossible love.

<lyrics>
"Oni-san kochira te no naru hou e"
Young days when we played in Gion
Swaying with the lullaby and the crescent moon in the background everyday everynight

You who is like a Japanese doll remained not changing your expression,
softly closed your eyes and slept with
"nen nen korori yo"...

Think of the deceased mother,
associate with this child
Today I will play the koto again

"Kururi, hurari, huwari, kurari
Kururi, hurari, huwari, kurakurari
Kururi, hurari, huwari, kurari
Kururi, hurari, sawagu"

'Mother and you and my new relation'
Without thinking I put my hand on your neck.
You say nothing and you do nothing.
I'm gonna sing the last lullaby for you while you smile at me.
I wonder why I fell in love with you.
Impossible love.

Your small hands who put your palms together
Unbalanced dream, dead body and love

"Kururi, hurari, huwari, kurari
Kururi, hurari, huwari, kurakurari
Kururi, hurari, huwari, kurari
Kururi, hurari, sawagu"
