

# Dir En Grey, ?????

burning from the inside  
crying with pain.

It is then the proof of sadness, caused by absolute justice  
In the lukewarm rain which does not stop

== English Translation ==  
&lt;/lyrics&gt;  
Even innocent people  
are caught in lukewarm rain and their wounds take root

A lie was born now and  
it doesn't be lie somewhere

Someday the words, even this day and anything  
will be buried in the mistakes  
I embrace the blue pure memory

Even the hope is blurred in tears of violent emotion and  
Even the strength to live this moment...  
I go mad and grieve in the violent emotion  
I offer a prayer to the setting sun

burning from the inside  
crying with pain.  
YOU CAN'T SAVE

The tenderness I lost in the tear of violent emotion is  
the love that was born and given here  
The reason why I lost my mind is  
my weakness, isn't it...?

It is then the proof of sadness, caused by absolute justice  
In the lukewarm rain which does not stop...
