&lt;/lyrics&gt;

She had been crying with "ringo-ame" in one hand...

To the darkness of the "Tukiyomi-so"

"Where is my mummy?" The figure, she burned it into her memory and hugged

The Gion-steap and the fan shop in August when insects cry and stir  
The smiley May won't come that this young child wishes

Fly the paper balloon high to the sky  
There, tears are overflowing  
Red candy, see, memories melt and vanish together

About 4 a.m. when the small cry that wakes up sounds  
Put her to sleep with the picture book she loves, and in the darkness, goodbye

Fly the paper balloon high to the sky  
There, tears are overflowing  
Red candy, see, memories melt and disappear together  
How many years will I take to end my tears?  
THE bottom where the sun withered and fell is the truth and...

13 o'clock in the midday there isn't a breath of wind  
She has been silently under the tatami still now
