Shout up! That's fucking bullshit  
Blood tastes like vanilla

Fuck off

Shout up! That's fucking bullshit

Headless body,  
Headless body,  
I'm damned

Fuck off

Headless body,  
Headless body,  
I'm damned

I say destroy, fuck off

Shut up!

Headless body,  
Headless body,  
I'm damned

Shout up! That's fucking bullshit  
Blood tastes like vanilla
