A boy spat at the Wall of Berlin
Even though he broke it, he couldn't change now at all

I had been obstinately shut my heart as I remembered
Only singing was my support...

I don't want be Edward H. Gein
I wonder where do Sid Vicious & Nancy meet?

As heart doesn't have voice, I lost song in my heart, and I quietly wait for you
Does not reach, does not reach you, I can't find out your voice

I don't want be Edward H. Gein
I wonder where do Sid Vicious & Nancy meet?

I can't be obedient as you softly reach for me

As heart doesn't have voice, I lost song in my heart, and I quietly wait for you
Be ardently in love and dream, be in love and in love with love, and the dream ends, Sid's dream
