

# Dire Straits, Private Investigations

It's a mystery to me - the game commences  
for the usual fee - plus expenses  
confidential information - it's not a public inquiry

I go checking out the reports - digging up the dirt  
you get to meet all sorts in this line of work  
treachery and treason - there's always an excuse for it  
and when I find the reason I still can't get used to it

And what have you got at the end of the day?  
what have you got to take away?  
a bottle of whisky and a new set of lies  
blinds on the windows and a pain behind the eyes

Scarred for life - nocompensation  
private investigations
