Dire Straits, Six Blade Knife

Your six blade knife can do anything for you Anything you want it to One blade for breaking my heart One blade for tearing me apart Your six blade knife-do anything for you

You can take away my mind like you take away the top of a tin When you come up from behind and lay it down cold on my skin Took a stone from my soul when I was lame Just so you could make me tame You take away my mind like you take away the top of a tin

I'd like to be free of it now - I don't want it no more I'd like to be free of it now - you know I don't want it no more

Everybody got a knife it can be just what they want it to be A needle a wife or something that you just can't see

You know it keeps you strong Yes and it'll do me wrong Your six blade knife - do anything for you
