

# Dirty dancing 2, Represent, Cuba

Hey, mi musica,  
Represent, Represent, Cuba,  
Orishas underground de Havana  
Represent, Represent, Cuba,  
Hey, tu musica  
Te quiero Havana,  
The rhythm' pumping in my heart,  
In La Rosa we dance to the tempo of the love, boy,  
Your hip's making a shift,  
and you fall deep into its spell,  
let your body talk, till voice in you says,  
say baby  
I'm the one you find deep in that move,  
that drives your body and your senses,  
I'm the heat inside,  
when rhythm and love collide,  
Cuba, let me introduce myself  
Cubaaaaaaaaaaaaa!
