

# Dirty Heads, Spread Too Thin

I, I'm spread way too thin  
Everybody wants to know what's happenin  
I, I'm spread way too thin  
what's the big rush now, tell me why you're rushin

I, I'm spread way too thin  
Everybody wants to know what's happenin  
I, I'm spread way too thin  
what's the big rush now, tell me why you're rushin  
Why you rushin  
Why you rushin

Well everybody's callin, but I just need some time.  
Yeah I just need some room to breathe again  
A way to clear my mind  
you don't need to be here  
all up in my face  
we need to find the right solution  
to put you in your place

I said hey, I got a lot to say to you  
hear what you say it's not true  
so this is what I'm gonna do  
look at me I'm gonna let you know

I, I'm spread way too thin  
Everybody wants to know what's happenin  
I, I'm spread way too thin  
what's the big rush now tell me why you're rushin  
Why you rushin  
Why you rushin

Well this has got me twisted  
In the worst kind of way  
you put me down when I'm not around  
and then you, and they you smile at my face  
you don't need a home no, what you need is a cage  
I've bottled up all of these emotions babe  
a monster 'bout to rage

I said hey, I got a lot to say to you  
It seems you got somethin to prove  
so this is what I'm gonna do  
look at me I'm gonna tell you so

I, I'm spread way too thin  
Everybody wants to know what's happenin  
I, I'm spread way too thin  
what's the big rush now tell me why you're rushin  
Why you rushin

Let me breathe, let me chill for a while  
Let me breathe, no it's not my style  
Let me breathe, let me chill for a while  
Let me breathe, no it's not my style

I said hey, I got a lot to say to you  
hear what you say it's not true  
so this is what I'm gonna do  
look at me I'm gonna let you know

I, I'm spread way too thin  
Everybody wants to know what's happenin.  
I, I'm spread way too thin

what's the big rush now tell me why you're rushin  
Why you rushin  
Why you rushin
