

# Dirty Vegas, All Or Nothing

I have been out of my head  
Hanging on by a thread  
To the world I'm missing

Did I fall asleep at the wheel  
Get the looks that could kill  
'Cos I'm not listening

There must be a better way  
There must be a way to change  
All of us were scared to say...  
So this is all or nothing

Never know what the future will bring  
Leave the past 'cos it don't mean a thing  
So this is all or nothing  
Never know what the future will bring  
Leave the past 'cos it don't mean a thing  
So this is all or nothing

Did I beat myself up again  
Hide it all from my friends  
I can hear them whispering

There must be a better way  
There must be a way to change  
All of us were scared to say...  
So this is all or nothing

[Repeat chorus]

Never know what the future will bring!
