

# Dirty Vegas, I Should Know

I show you things that you never seen  
And I know places you've never been  
It's where the grass isn't green  
Cos I, yeah I-I-I should know

I should know

I should know

I show you things that you never seen  
And I know places you've never been  
It's where the grass isn't green  
Cos I, yeah I-I-I should know

Playin' away from home is fun

This food is cut but it isn't done

Boy the best is to come

Cos I, yeah I-I-I should know

It's always me that gets the blame

Second single sounds the same

Donny and Nancy's a pain

Cos I, yeah I-I-I should know

I should know

I should know

The pain it grows

Yeah, I-I-I should know

I should know

I should know

I should know

I should know

I should know

I should know

The pain it grows

Yeah, I-I-I should know

Two steps forward and one step back

The wheels are coming off the track

Still there's time to get back

Cos I, yeah I-I-I should know

I should know

I should know

The pain it grows

Yeah, I-I-I should know

I should know

I should know

I should know

Waking up in someone's attic

Find it's all on automatic

Look out boy it's problematic

Cos I, yeah I-I-I should know

Waking up in someone's attic

Find it's all on automatic

Look out boy it's problematic

Cos I, yeah I-I-I should know

I should know

I should know

I should know

I should know
