Disturbed, Indestructible

Another mission, the powers have called me away Another time to carry the colours again My motivation, an oath I've sworn to defend To win the honour of coming back home again

No explanation will matter after we begin Unlock the dark destroyer that's buried within My true vocation and now my unfortunate friend You will discover a war you're unable to win

I'll have you know that I've become indestructible Determination that is incorruptible From the other side a terror to behold Annihilation will be unavoidable Every broken enemy will know That their opponent had to be invincible Take a last look around while you're alive I'm an indestructible master of war

Another reason, another cause for me to fight
Another fuse uncovered now for me to light
My dedication to all that I've sworn to protect
I carry out my orders without a regret
My declaration embedded deep under the skin
A permanent reminder of how it began
No hesitation when I am commanded to strike
You need to know that you're in for the fight of your life

You will be shown how I've become indestructible Determination that is incorruptible From the other side a terror to behold Annihilation will be unavoidable Every broken enemy will know That their opponent had to be invincible Take a last look around while you're alive I'm an indestructible master of war

I'm indestructible
Determination that is incorruptible
From the other side a terror to behold
Annihilation will be unavoidable
Every broken enemy will know
That their opponent had to be invincible
Take a last look around while you're alive
I am indestructible (Indestructible)

Indestructible
Determination that is incorruptible
From the other side a terror to behold
Annihilation will be unavoidable
Every broken enemy will know
That their opponent had to be invincible
Take a last look around while you're alive
I'm an indestructible master of war
