

# Disturbed, Ten Thousand Fists

Survivor  
Survivor

One More Goddamn Day  
When I know what I want  
And my want will be considered tonight  
Considered tonight  
Just Another Day  
When all that I want will  
Mark me as a sinner tonight  
I'm a sinner tonight  
Yeah

People can no longer cover their eyes  
If this disturbs you  
Then walk away  
You will remember  
The night you were struck by the sight of  
Ten Thousand Fists In The Air

Power unrestrained  
Dead on the mark  
Is what we will deliver tonight  
Deliver tonight

Pleasure fused with pain  
This triumph of the soul  
Will make you shiver tonight  
We'll make you shiver tonight  
Yeah

People can no longer cover their eyes  
If this disturbs you  
Then walk away  
You will remember  
The night you were struck by the sight of  
Ten Thousand Fists In The Air

We are the ones that will open your mind  
Leave the weak and the haunted behind (x4)

People can no longer cover their eyes  
If this disturbs you  
Then walk away  
You will remember  
The night you were struck by the sight of  
Ten Thousand Fists In The Air
