

Divine, Fairy Tales

Chorus:

Love ain't like no fairy tale
It'll break your heart
'Cause it don't always have
A happy ending
Love ain't like no fairy tale
It'll break your heart
'Cause it don't always have
A happy ending

Verse 1:

Mama said you better watch yourself
When you're flying high
On the wings of love
Keep your balance or you just might fall
And when you fall you gotta be strong
'Cause love ain't like no fairy tale

Chorus:

Love ain't like no fairy tale
It'll break our heart
'Cause it don't always have
A happy ending
Love ain't like no fairy tale
It'll break your heart
'Cause it don't always have
A happy ending

Verse 2:

Everytime I see you 'round the way
I start thinking about yesterday
A picture perfect world is what I saw
A picket fence, a house, a fancy car

Bridge:

I just knew that you were Heaven sent
You would make all of
My wishes come true
You'd be my knight and shining armor
Someday
I was your princess soon to be queen

Chorus:

Love ain't like no fairy tale
It'll break your heart
'Cause it don't always have
A happy ending
Love ain't like no fairy tale
It'll break your heart
'Cause it don't always have
A happy ending

Bridge:

I just knew that you were Heaven sent
You would make all of
My wishes come true
You'd be my knight and shining armor
Someday
I was your princess soon to be queen

Chorus:

Love ain't like no fairy tale
It'll break your heart
'Cause it don't always have
A happy ending
Love ain't like no fairy tale
It'll break your heart
'Cause it don't always have
A happy ending
