

# Dizzy Mizz Lizzy, Break

Break (Dizzy Mizz Lizzy)  
(Track 7 on "Rotator")

I've been diggin' diggin' down down  
For a reason not to go  
But it's a tricky tricky time time  
So I guess I can't say no

And you can tell me how much I have earned  
But I don't receive it  
You can tell me 'bout my future plans  
But I don't believe it

Break - all I need is a teeny-weeny break

Singin' super super songs songs  
But you really don't seem to care  
It's only when the money rolls in  
We'll be sure to see you there

And you can tell me how much I have earned  
But I don't receive it  
You can tell me 'bout my future plans  
But I don't believe it

Break - all I need is a teeny-weeny break
