

# DJ Antoine, Broadway (vs Mad Mark)

Remember the nights on Broadway, the lights  
Remember the nights on Broadway,  
On Broadway, on Broadway,  
Delight!

This is New York, New York  
Ah, welcome to the Big Apple  
Talking 'bout Time Square  
You can feel it in the air  
Call it the great white way  
City lights will light the way  
It's all in the secrets of success  
Do you know how to express yourself

Remember the nights on Broadway, the lights  
Remember the nights on Broadway, the lights  
Remember the nights on Broadway, the lights

Now you're a moviestar, superstar  
And the Oscar goes to: here we are!  
Red carpet, paparazzi  
Main target, \_\_\_\_\_  
Jazz, dance, sweet romance  
You got one shot, no second chance  
Like a phantom of the opera

Delight!

Remember the nights on Broadway, delight.
