

DJ Antoine, One Day, One Night

Hard to find... it's hard to find the words, yeah
to describe the things I feel inside
Let me tell you, sometimes we make mistakes, yeah
Here I am, and I don't wanna wait...

Ref.:

Looking for... searching for... calling for you
I'm longing for... crying for... fighting for you
Looking for... searching for... calling for you
If only you give me just one more chance

One more chance x8

Yeah... One more chance

Oh, I don't wanna wait!

Ref.: (x2)

Looking for... searching for... calling for you
I'm longing for... crying for... fighting for you
Looking for... searching for... calling for you
If only you give me just one more chance
