

# DJ Antoine, One Day, One Night

Hard to find... it's hard to find the words, yeah  
to describe the things I feel inside  
Let me tell you, sometimes we make mistakes, yeah  
Here I am, and I don't wanna wait...

Ref.:

Looking for... searching for... calling for you  
I'm longing for... crying for... fighting for you  
Looking for... searching for... calling for you  
If only you give me just one more chance  
One more chance x8

Yeah... One more chance

Oh, I don't wanna wait!

Ref.: (x2)

Looking for... searching for... calling for you  
I'm longing for... crying for... fighting for you  
Looking for... searching for... calling for you  
If only you give me just one more chance
