

DJ Antoine vs Mad Mark, Crazy world

What's going on in the world today
It's crazy, yeah I know
Everybody's begging to see some change
But it's all right? cause hey

I've got something to believe in
Can't let go of this feeling
This I know
And I'm going all the way
All right now
Here we go

We are living in a crazy world
But, I like it
Look and you will find that
We are living in a crazy world
Best believe it
Everybody sing it
We live in a crazy world, crazy world, crazy world

I can feel something in the air tonight
It's just how the wind blows
Everybody's on this rollercoaster ride
Up, up, here we go

You've got something to believe in
Don't let go of this feeling
This I know
And we're going all the way
All right now
Here we go

We are living in a crazy world
But, I like it
Look and you will find that
We are living in a crazy world
Best believe it
Everybody sing it
We live in a crazy world, crazy world, crazy world

We can't love enough
It's the only thing that binds us together
Tonight we will be one
And we're gonna make this party last forever

We are living in a crazy world
But, I like it
Look and you will find that
We are living in a crazy world
Best believe it
Everybody sing it

We are living in a crazy world
But, I like it
Look and you will find that
We are living in a crazy world
Best believe it
Everybody sing it
We live in a crazy world, crazy world, crazy world
