

DJ Bobo, Best Of My Life

Verse 1:

Every heartbeat I have missed
You're my catcher in the rye
Without you I feel empty
I don't care what people say

Verse 2:

Easy come easy go
people talk but that's not true
Because love is stronger I forgive you
Like I told you I would do

Bridge:

I have a hungry heart
No water can quench my thirst
For now and forever for better for worse
These are the words we've said

Refrain 1:

You are the best of my life
I messed it up I'm sorry
I forgive you for better for worse
I lost my pride and glory
