

# DJ Bobo, Everybody

Chorus:

Everybody move your feet to the rhythm of this beat  
Everybody sing this song all the people having fun  
Everybody move your feet to the rhythm of this beat  
Everybody sing this song all the people having fun

Vers 1:

Everybody loves to dance with another summer romance  
Uh baby  
Everybody likes to move all the fellas having the groove  
Uh baby

Rap 1:

Music is what I'm living for  
Hit the dance floor like there ain't no more  
Ain't no more time for taking your chance  
Jam digadi jam to this summer romance  
Wave your hands in the air everyone and everywhere  
Move your body jump around check it - it out with the sound  
Everybody, everybody get up and sing it loud  
This is the sound that makes you feel proud

Vers 2:

Everybody here tonight we will never start a fight  
Uh baby  
Everybody is feeling proud if you feel it say it loud  
Uh baby

Rap 2:

Pleasure and pain sometimes the same  
I'm not ashamed there's no name for the game  
The game that makes my heart still pumpin'  
Boom Boom my body is jumpin'  
Love - every day and night  
The sign for peace is shining bright  
Everybody, everybody get up and sing it loud  
This is the song that makes you feel proud

Midpart:

When the sun goes down, and the night moves on  
The time is right to enjoy yourself  
And doing whatever you wanna do  
I mean everybody
