

DJ Bobo, I Believe

Chorus:

I believe in visions
I believe in love
I believe in magic, but this is not enough
I believe in freedom
I believe in dreams
I believe in heroes, but this is not enough

Vers 1:

I believe in faith, in knowledge I can learn
I believe all what you give, you get returned

Bridge 1:

And I'm afraid we place our life in other peoples hands
I realized on earth we're all the same, we need a chance

Vers 2:

I believe in life there's more than wrong or right
I believe in colours there's no black or white

Bridge 2:

And you don't know what you have got until you say goodbye
But in my dreams one day I spread my wings and I will fly

Midpart:

I believe my dream can be reality
I believe my time on earth is destiny

Midpart Choir:

Oh I, I believe
Now - we are strong enough
Oh I, I believe
We - are - strong enough
