DJ Bobo, I Need Your Love

Chorus:

I need your love love
Love, I need your love tonight
I need your love love
Love, I wanna hold you tight
I need your love love
Love, Ill do anything for you
Take my heart and Ill be yours
I want you back for good

Verse 1:

Cool down and listen what I have to say Begging you to hear me, I need you every day I've learned my lesson I know it for sure Youre all I ever want, you're all I ever need

Bridge:

Cause you once took my love
And its like that ever since
Youve turned my sences apart
A lonely queen without a prince
I'm trying to forgive you recapture my heart
Now it's up to you, I want to feel you

Verse 2:

Another day is passing and pictures flash by All I need is your love cause you make me fly I got this feeling I just need a chance To show you how I care, to show you what I feel

Midpart:

You've learned your lesson, now come back for good So many things Ive said you misunderstood Cause all that I feel girl, I feel it for you Youve got me wrapped around
