

DJ Bobo, I Want You Back

Refrain:

I want you back (I want you)
I want you to stay
Open your mind
And quit the games you play

I want you back (I want you)
I want you tonight
Calling your name
And let me hold you tight

Refrain 2:

Ohohuhohoh, I want you back again
Ohohuhohoh, cause Im your man
Ohohuhohoh, I want you back again
Cant live without you and I wanna be your man

Rap 1:

Im crazy about the things you do
I have fallen for you, as you wanted me to
I dont want your money, I want your time
I give you everything inside my heart could find
Ill be your soulmate, your man heaven sent
till the end, I hold your hand like nobody else I understand
Now end, the colour of my heart is black
Quit the games you play because I want you back

Verse 1:

All that I possess Ill sacrifice
Take my heart and I will name the price
I searched the whole world just for a girl like you
Why did you hurt me, I dont believe its true

Rap 2:

Take two, and I would do anything to hold you tonight
And forever for the rest of time in this life
I thought you gonna be my wife, without you close to me
You know I cant survive
Now you got the best of me, come on and take the rest of me
Please stop the game, and call my name, no shame,
I feel pain, the colour of my heart is black
Quit the games you play because I want you back

Verse 2:

I would move a mountain just for you
I would pull the sun out of the blue
Ill give you one more chance to make it right
Cant live without you, I want you by my side
