

DJ Bobo, Indestructible

Refrain:

Our love is indestructible
Ill never let you down
Our love is indestructible
Ill make your world go round

Refrain 2:

When youre sad, when youre down
When you cry I wanna bring back the sun
When you talk, when you smile
I just know you are the only one

Rap 1:

Your so precious - so perfect in my eyes
When Im with you, time flies
Away - can you hear me what I say
Today is the day, dont runaway
Come with me - and let me take you by the hand
Before Ive got to go, try to understand
Ill pray, everyday,
Our love, will never go away

Rap 2:

Let me tell you its true - heaven sent you to me
Youre my Queen of hearts, you re my destiny
L-o-v-e - you put a spell on me
One thousand degrees is the heat in my
Soul - you took my self-control
My mind is wild, rolling up and down the hill
Like a waterfall
My love is, indestructible

Rap 3:

Let me touch you, hold you, thats all I wanna do
Im electrified by you
Like thunder - and lightning is a mystery
Basically you took my breath - youre my fantasy
True all I need is you
Everything you say will stay, today
Play the game of everlasting dreams like
In a movie scene !
