

# DJ Bobo, Let The Dream Come True

Refrain:

Not a broken heart  
Now we gonna start  
It's for me and you  
Let the dream come true

What I'm gonna do without you  
Let the dream come true

Not a broken heart  
Now we gonna start  
It's for me and you  
Let the dream come true  
Let the dream come true  
Let the dream come true

Kick it, tip it, flip it, sip it,  
Shake your body 'round get wicked  
Use the door get on the floor  
I still got more for you to store  
Get on your feet, it's treated unique  
Just feel the heat  
And get back to the beat  
Rude dup, rube dup  
Rude dup, rube dup  
Jump and shake your body  
Wine it up  
Everybody shake your body  
D.J. BoBo starts the party  
Up and down, here we go  
Don't look back just let it flow  
Up and down, don't lose your crown  
What goes up, must come once down  
How hold tight, everything's alright  
There's no need to fight tonight

Refrain:

Not a broken heart  
Now we gonna start  
It's for me and you  
Let the dream come true

What I'm gonna do without you  
Let the dream come true

Not a broken heart  
Now we gonna start  
It's for me and you  
Let the dream come true

It's a break, I don't mean a fake  
Open your ears, it's not a mistake  
The music is strong  
And I made these rhymes  
Partytime 'cause the time is mine  
So let's go down, down on the floor  
I wanna give you  
What you are waitin' for  
You know what you want  
And you want it now  
You know what you want  
When you hear the sound  
Swing your body and have some fun  
Now you're on the run

This track has just begun  
It's done for fun  
And hits you like a gun  
Jump up and down, toss and turn  
Right to the ground before you burn  
Pump the bass right in your face  
Just in case we start the race

Refrain:  
Not a broken heart  
Now we gonna start  
It's for me and you  
Let the dream come true

What I'm gonna do without you  
Let the dream come true

Not a broken heart  
Now we gonna start  
It's for me and you  
Let the dream come true

First I waited, then created  
Didn't debate it, just made it  
The feeling is strong  
So keep coming on  
With the bass and the drums  
There's nothing wrong  
Now get on up, take your shoes  
Swing your body get wild and loose  
One, two, three, four  
Tippin' and tappin'  
Slippin' and slappin'  
There's no stoppin'  
It's Friday night, the time is right  
Enjoy the vibe just like a tribe  
Take the proove and moove it smooth  
Breakin' it down just for the groove  
Kick the steps, but watch your neck  
Before you get wrecked  
I will come correct  
This sensation no violation  
Just influential for the partynation

Refrain:  
Not a broken heart  
Now we gonna start  
It's for me and you  
Let the dream come true

What I'm gonna do without you  
Let the dream come true

Not a broken heart  
Now we gonna start  
It's for me and you  
Let the dream come true  
Let the dream come true
