

# DJ Bobo, Let The Party Begin

Intro:

Let the party begin  
Come on lets sing this song

Verse 1:

The day is over, its party time  
Forget your problems and drink a glas of wine  
The celebration is happening tonight  
Just feel the rhythm, till the morning light

Pre-Chorus:

Lets have fun all night long  
I know you got the key  
All together were strong  
A feeling wild and free  
Lets have fun all night long  
I know you got the key  
Take my hand and come with me to wonderland

Chorus:

Let the party begin  
Were dancing tonight  
Were ready to go  
And the feeling is right  
Let the party begin  
The music goes on  
Come on lets sing this song

Post-Chorus:

Let me say say say  
Its summer holiday  
We will sing together all night long  
Let me say say say  
Its summer holiday  
Come on everybody sing this song

Verse 2:

So let the music move your feet  
Express your feelings, heres the magic beat  
Come join the party, friends are everywhere  
Ride on the rhythm, musics in the air

Pre-Chorus:...

Chorus:...

Post-Chorus:...

Pre-Chorus:...

Mid-Part:

Theres music in the air  
Just feel it everywhere  
This is the way to reach our soul  
The rhythm takes control

Post-Chorus:

Let me say say say  
Its summer holiday  
We will sing together all night long  
Let me say say say  
Its summer holiday  
Come on everybody sing this song

Chorus:

Let the party begin  
Were dancing tonight

Were ready to go  
And the feeling is right  
Let the party begin  
The music goes on  
Come on lets sing this song
