Pura Pasi– feel it everyday
Pura Pasi– the way to live your life
Pura Pasi– running through your veins
Pura Pasi– pasi– so close and still so far

You will only find it in your heart
Try to believe it, make a start
You can create it deep inside
Pura Pasi– will be your guide

The way of life is mystery
Fortune came then ran away
Do it now before you fade to gray

Eyama we oh
And save your soul

Searching for the perfect thrill
Impossible to buy that pill
Happiness can come so fast
Find it for yourself to make it last

Eyama we oh
You've got the future in your hand
Eyama we oh
You're in command
