

Dj Cammy, Everytime we touch

I still hear your voice, when you sleep next to me.
I still feel your touch in my dreams.
Forgive me my weakness, but I don't know why.
Without you it's hard to survive.
Cuz everytime we touch,
I get this feeling and everytime we kiss
I swear, i could fly
Can't you feel my heart be fast
I wan't this to last, need you by my side.
Cuz everytime we touch,
I feel the static and everytime we kiss
I reach for the sky.
Can't you hear my heart beat so,
I can't let you go.
Want you in my life.
Your arms are my castle, your heart is my sky.
They wipe away tears that I cry.
The good and bad times we've been through them all,
You make me rise when i fall.
Cuz everytime we touch,
I get this feeling and everytime we kiss
I swear, i could fly
Can't you feel my heart be fast,
I wan't this to last, need you by my side.
Cuz everytime we touch,
I feel the static and everytime we kiss
I reach for the sky.
Can't you hear my heart beat so,
I can't let you go.
Want you in my life.
Cuz everytime we touch,
I get this feeling and everytime we kiss
I swear I could fly.
Can't you feel my heart beat fast,
I wan't this to last, need you by my side.
