See it's Friday night  
And I just got paid  
I done had a hard week  
Now it's time To Celebrate  
Well the DJ played my shit  
Some of that club music shit  
Make the girls wanna freak  
Back it all up on my dick  
See it's on tonight  
Trying to leave with something right  
I'ma grown ass man  
So Shawty you can spend the night  
Cause I'm the shit

Because I'm always out of town  
Is that your girlfriend  
I really like her  
Her booty's fat like yours  
I really like her  
I know the club is bout to close  
But it's only 3 oclock  
They hating and they hating  
Cause I got this thing on lock  
Why the two baddest bitches in the club  
Going home with me  
Cause I'm the sh\*t  
Yeah I'm the \*\*\*\*  
Up in this b\*tch  
Up in this b\*tch  
Yeah I'm the sh\*t  
Yeah I'm the sh\*t  
Up in this b\*tch  
Up in this b\*tch  
Yeah I'm the sh\*t  
Yeah I'm the sh\*t  
(Jermaine Part)  
See now I'd probably been in this sh\*t the longest  
I don't deal with the fake and the phoniest  
Girls treat me like I'm one of the Jones's  
Give her d\*ck and all types of bonuses  
I don't really even know who song this is  
But I heard it and jumped right on this sh\*t  
If the shoe fit you better wear it  
And I swear it you see me  
She asked me what my name is  
Told her I was famous

You don't know who Jermaine is  
She must be brainless  
Since the day I came in  
Don't know where them lames went  
But that aint no issue  
Baby get your boy some tissue  
Cause I'm the sh\*t  
Fish you as my whistle  
Got your chick she doesn't miss you  
She'll be with you when she kiss you  
She'll be licking on my missile  
No homo see my logo  
And you'll hold shows like it's promo  
It's tight I had to force it  
Now they call me porcelain  
Cause I'm the sh\*t  
Yeah I'm the \*\*\*\*  
Up in this b\*tch  
Up in this b\*tch  
Yeah I'm the sh\*t  
Yeah I'm the sh\*t  
Up in this b\*tch  
Up in this b\*tch  
Yeah I'm the sh\*t  
Yeah I'm the sh\*t
