

DJ Dado, Give Me Love

I'll be there until the morning
I'll be there and you will be mine
Take my hand call me in the morning
I don't care if you're close or far away

Will you believe in me
You just have to wait and see
All my love is there
All me love is there
Take my heart in whole

Give me love, give me love
Not emotions
Give me love, give me love
I won't share
Give me love, give me love
No confusion
Give me love, give me love

Give me love, give me love
Not emotions
Give me love, give me love
I won't share
Give me love, give me love
No confusion
Give me love, give me love
Ooooh baby

Ooooh baby

Everywhere when it's so lonely
You'll be there just to take my hand
I'll be there call me in the morning
I don't care if you're close or far away

Will you belive in me?
You just have to wait and see
All my love is there
All the love is there
Take my heart in whole

Give me love, give me love
Not emotions
Give me love, give me love
I won't share
Give me love, give me love
No confusion
Give me love, give me love

Give me love, give me love
Not emotions
Give me love, give me love
I won't share
Give me love, give me love
No confusion
Give me love, give me love

Ooooh baby Oh yeah

Give me love
