If you believe in me, I believe in you, we can work it out. No matter what we feel, if our love is real,

If you believe in me, I believe in you, we can work it out. No matter what we feel, if our love is real,

We can work it out,

We can work it out,

We can work it out,

We can work it out,

We can work it out,

We can work it out.
