

Dj Ironik, Broken (Feat Digga)

(Spoken)

I didnt ever think it would come to this day,
Broken,
Its hard man,
I hope you understand though,
I really hope you do,
And I hope your listen as well. Listen.

(DJ Ironik)

You was the perfect girl for me,
I wont lie you was always there for me,
Cooked for me, cleaned for me and feeded me,
I thought it was wrong that you always needed me.
I wish I could turn back time cuz I learned so much I think I was blind,
My boys actually say that Ive lost my mind,
I feel so cold, Im in love, Im alone,
Like Im broken, Im crushed; Im alone now I moan,
Before I didnt wanna know but now I wanna moan,
I feel so lost, I feel so low.
I hope you hear this track and you make it your tone.
Cuz I no that your out there, you know than Im out here,
I know that you hear me, you see me on the TV,
We need to speak jus briefly, cuz I told everyone I dont believe she forgives me,
But I was wrong.

(Digga)

Yours was the perfect love, I swear it was.
Until I had your love, my world was cold.
I did what most men do and I messed it up.
But when I got you back my world was whole.
The player thing I let it go, thought our life was set in stone.
But it wasnt and Im here alone.
Nothing is in front of me; I feel I cant even breathe.
Dont think I can handle this, baby Im so
Im so in agony; look at the state of me.
Left here, broken.
You said youd never leave, look what youve done to me.
Left here, broken.
Where do I go from here Im so lost,
Do you know how hard it is?
Finding my way through this.
It should even be like this, I shouldnt have to feel like this.
Noo noooo noo,
Cant even have company, nobody can talk to me.
Im messed up all that I find myself doing,
Looking at my gallery, drinking and smoking weed.
I hate you for doing this to me girl Im so.
Im so in agony; look at the state of me,
Left here, broken.
You said youd never leave, look what youve done to me,
Left here, broken.
Im so in agony; look at the state of me,
Left here, broken.
You said youd never leave, look what youve done to me,
Left here, broken.
Broken, broken, broken,
I never thought Id feel this low down in my life,
I swear Im
Broken, broken, broken.
Everyday I wished that it was me that had died.
Broken.
