

Dj Layla feat Alissa, Butterfly

Fly, fly x3
Fly, fly butterfly
Your love is fire
Fly, fly butterfly
And take me higher
Fly, fly butterfly
Your love is fie x2
I wanna be a butterfly
I wanna fly with you tonight
With you I wanna touch the sky
I wanna be your butterfly
Fly, fly butterfly
And take me higher
Fly, fly butterfly
Your love is fie x2
Baby I`m gonna take you high
I`ll give you one amazing night
Don`t be afraid you have to try
Just spread your wings, prepare to fly
Fly, fly butterfly
And take me higher
Fly, fly butterfly
Your love is fe x2
