

Dj Pied Piper, Do You Really Like It

Enter The Dragon

Do you really like it, do you really like it
We're lovin' it, lovin' it, lovin' it
We're lovin' it like this
Do you really like it, is it, is it wicked

Hardcore, you know the score
Rhymes so good they deserve an encore
All about the style we bring
We make you laugh like when you was a lil child again
Smooth, that's how I roll
I got so much soul when I step into the party
I wanna move somebody
I wanna move somebody

We're the masters of the ceremony
What does it take to be a garage MC
Personality
Originality
On a microphone they got to be (yeah, yeah)

With a little bit of this, little bit of that
Jump, don't ever stop
