

# DJ Quicksilver, Always On My Mind

Maybe I didnt treat you,  
Quite as good as I should,  
Maybe I didnt love you,  
Quite as often as I could,  
Little things I should have said or done,  
I never took the time,  
You are always on my mind,  
You are always on my mind.

Tell me, Tell me that your sweet love hasnt died,  
Give Me, One more chance to keep you satisfied,  
You are always on my mind,  
You are always on my mind,  
You are always on my mind,  
You are always on my mind,  
You are always on my mind,  
You are always on my mind,  
You are always on my mind.

Maybe I didnt hold you,  
All those lonely lonely times,  
And I guess I never told you,  
I'm so happy that your mine,  
If I made you feel second best,  
I'm so sorry I was blind,  
You are always on my mind,  
You are always on my mind

Tell me, Tell me that your sweet love hasnt died,  
Give Me, One more chance to keep you satisfied,  
You are always on my mind,  
You are always on my mind,  
You are always on my mind,  
You are always on my mind.

You are always on my mind,  
You are always on my mind,  
You are always on my mind,  
You are always on my mind,  
You are always on my mind,  
You are always on my mind,  
You are always on my mind.
