

# Dj Rankin, Think Of You

Dj Rankin in the mix mutha f\*\*\*a

All the things you have to do,  
To prove your love is true  
Is to treat me like a fantasy  
And I'll give my love to you

What i want from you is time  
That will last me all my life  
Cos I know you are the one for me  
And I hope I'll keep you mine

All the things you have to do.....  
Is to treat me like a fantasy.....  
What I want from you is time.....  
Cos I know you are the one for me  
And I hope we keep it right

All the things you have to do,  
To prove your love is true  
Is to treat me like a fantasy  
And I'll give my love to you

What i want from you is time  
That will last me all my life  
Cos I know you are the one for me  
And I hope I'll keep you mine

All the things you have to do.....

What I want from you is time.....  
Cos I know you are the one for me
