Dj Refresh & Jakob Malibu, Give Me The Sign (fe

left you teared apart with your broken heart left u all by yourself we just can't deny can't justify but I see it's ok

you can start it over come a little closer you fallen on the ground so hard it's doesn't really matter wouldn't be better every .. rolling tonight

baby just Give Me The Sign we can light it up the spark between us baby just Give Me The Sign we can make it up just make the feel right baby just Give Me The Sign

let me make you feel like the ... night is as deep as dark heart's beaten fast would it make it last use yourself in the lights

you can start it over come a little closer you fallen on the ground so hard it's doesn't really matter wouldn't be better every .. rolling tonight

baby just Give Me The Sign we can light it up the spark between us baby just Give Me The Sign we can make it up just make the feel right baby just Give Me The Sign
