

# DJ Sammy, 9/11 Version We're In Heaven

DJ Sammy Lyrics

Heaven [Remix 11/9] Lyrics

"It's been a year daddy  
I really really miss you  
Mommy says your safe now  
In a beautiful place called heaven"

Oh I'm thinking about our younger years

"We had your favorite dinner tonite"

There was only you and me

"I ate it all up"

We were young and wild and free

"Even though I don't like carrots"

Now nothing can take you away from me

"I learned how to swim this summer"

We've been down that road before

"I can even open my eyes"

But that's over now

"While I'm under water"

You keep me coming back for more

"Can't you see me?"

Baby you're all that I want  
When you're lying here in my arms  
I'm finding it hard to believe  
We're in heaven

"I started kindergarten this year"

Love is all that I need  
And I found it there in your heart  
It isn't too hard to see  
We're in heaven

"I carry a picture of us  
In my Blue's Clues lunchbox"

Oh once in your life you find someone

"You are the greatest daddy"

Who will turn your world around  
Pick you up when you're feeling down  
Now nothing can change what you mean to me

"I can swing on the swing by myself"

There's a lot that I could say  
But just hold me now

&quot;Even though I miss you pushing me&quot;

Cause our love will light the way

&quot;Can't you see me?&quot;

Baby you're all that I want  
When you're lying here in my arms  
I'm finding it hard to believe  
We're in heaven

&quot;I miss how you used to tickle me&quot;

And love is all that I need

&quot;Tickle my belly&quot;

And I found it there in your heart

&quot;My belly hurts&quot;

It isn't too hard to see  
We're in heaven

&quot;I try not to cry&quot;

I've been waiting for so long

&quot;Mommy says it's okay&quot;

For something to arrive  
For love to come along

&quot;I know you don't like it when I cry&quot;

Now our dreams are coming true  
Through the good times and the bad

&quot;You never wanted me to be sad&quot;

I'll be standing there by you

&quot;I try Daddy but it hurts&quot;

Baby you're all that I want

&quot;Is it true you're not coming home?&quot;

When you're lying here in my arms

&quot;Maybe someday&quot;

I'm finding it hard to believe  
We're in heaven

&quot;I can visit you in heaven, okay?&quot;

And love is all that I need  
And I've found it there in your heart  
It isn't too hard to see  
We're in heaven

&quot;It's time for me to go bed now

I sleep with the light on  
Just in case you come home  
And kiss me good night  
I love you so much  
I miss you Daddy"
