

# DJ Shadow, Six Days

(feat. Mos Def)

At the starting of the week  
At summit talks you'll hear them speak  
It's only Monday  
Negotiations breaking down  
See those leaders start to frown  
It's sword and gun day

Tomorrow never comes until it's too late

You could be sitting taking lunch  
The news will hit you like a punch  
It's only Tuesday  
You never thought we'd go to war  
After all the things we saw  
It's April Fools' day

Tomorrow never comes until it's too late  
Tomorrow never comes until it's too late

You hear a whistling overhead  
Are you alive or are you dead?  
It's only Thursday  
You feel a shaking on the ground  
A billion candles burn around  
Is it your birthday?

Tomorrow never comes until it's too late  
Tomorrow never comes until it's too late  
Make tomorrow come I think it's too late
