

# DJ SNAKE, A Different Way (ft. Lauv)

Could you believe  
I could be different  
I'll be the difference  
I'll lift you high

I understand  
Your hesitation  
our reputation  
it's no surprise

so let me redefine you  
and you can see the tide move  
just like tears in the eyes do  
like when you're feeling alone

baby, I'll be right here  
between the sea and silence  
so breathe easy my dear  
you can find sunshine in the rain

I will come running when you call my name  
even a broken heart can beat again  
forget about the one who caused you pain  
I swear I'll love you in a different way

another love  
so unforgiving  
you've been a victim  
too many times

and I'll be the friend  
hold you together  
I'll be forever  
will you be mine?

so let me redefine you  
and you can see the tide move  
just like tears in the eyes do  
like when you're feeling alone

baby, I'll be right here  
between the sea and silence  
so breathe easy my dear  
you can find sunshine in the rain

I will come running when you call my name  
even a broken heart can beat again  
forget about the one who caused you pain  
I swear I'll love you in a different way

I swear I'll love you in a different way  
I swear I'll love you in a different way
