

DJane HouseKat, Girls In Luv (feat Rameez)

Hey girl don't I know you
I can tell you wanna know too
Let me dance you must be antelope
Cause you're an angel in disguise
You're the apple in my eye I can't denie
I mean you got me mesmerised
Got out these girls in luv but only one got me feeling alright

Romena - was bad polo
Katrina - always came over
Jacky - loves that whiskey bottle and watch said whan it's over
Seline - she's so mental
Marina - environmental
Got all these girls in luv but only one got me feeling alright

Girls in luv
Girls in luv
She give you everything you
Girls in luv
Girls in luv
She give you everything you

Hey there Mona Lisa
I'm Da Vinci nice to meet ya!
You're like a wild on flow
And I couldn't leave you
You're the cherry in the pie
I mean you got me mesmerised
Got out these girls in luv but only one got me feeling alright

Maria - computergeek
Sophia - a superfreak
Rosetta - that crazy chick, ahh Rosetta's just a bitch
Jennie - to sentimental
Mannie - accidental
Got out these girls in luv but only one got me feeling alright

Girls in luv
Girls in luv
She give you everything you
Girls in luv
Girls in luv
She give you everything you
